Re: Freedom of Information Act Request #2948

Dear Ms. Lopez:

This letter will supplement our previous responses to your Freedom of Information Act request as received by the Freedom of Information Act Coordinator on July 15, 2011. The remaining portion of your request is granted. The documents that are responsive to your request are enclosed. I believe at this time we have provided all the documents requested.

Enclosed you will also find a refund check in the amount of **ONE HUNDRED FIVE AND 60/100 DOLLARS (\$105.60)**. The staff of the City Comptroller's office estimated that your request would require twenty (20) hours to complete. Their estimate miscalculated the number of retirees for the time period covered by your request. It also miscalculated the number of salaried (and therefore overtime exempt) employees, for which further research was not required. Instead of twenty (20) hours, your request required six (6) hours to compile. The total invoice amount for this request is therefore ONE HUNDRED NINETY-FOUR AND 40/100 DOLLARS (\$194.40). The difference is being refunded to you.

Thank you for your patience, as we have worked to process your request. We apologize for our error in calculating the fee. If you have questions regarding this matter, please do not hesitate to contact me.

Very truly yours,

Elizabeth R. White
Deputy City Attorney
FOIA Coordinator

Hi Eric,

See the attached FOIA request. Please provide Elizabeth White and Jennifer Morgrette the total number of cell phones in the City. She has the other info. You may need to send an email message to department cell phone administrators (if
